

Harris County Boil Water Notice for the General Public (THURS – 14:00)

Houston – Due to the ongoing arctic storm across the state of Texas, Harris County issued a boil water notice for residents living in various areas on February 16, 2021 at 10:00 PM. **As of Thursday, February 18, 2021 at 2:00 PM, new locations have been added to this notice.** There have been multiple power and water outages, which could lead to possible contamination of water. To ensure destruction of all harmful bacteria and other microbes, water for drinking, mixing baby formula, cooking, and making ice should be boiled and cooled prior to use.

Under the provisions of the Texas Commission on Environmental Quality (TCEQ), we are notifying the following areas that you need to boil your water prior to consumption due to possible contamination.

Recommendations

Disinfect water used for drinking (including for your pets), cooking, brushing teeth, rinsing contact lenses, shaving and making ice. Use one of the following methods:

- Boiling. Boil water for two (2) minutes after it reaches a full rolling boil.
- Chlorine Bleach. Use only unscented liquid chlorine bleach. If water is clear, add 2 drops of bleach per quart of water (8 drops per gallon). If water is cloudy, add 4 drops of bleach per quart of water (16 drops per gallon). Mix well and let stand 30 minutes before using.
- Purification Tablets. These are available at drug stores or camping outlets. Follow the directions on the package. If tablets are over a year old, replace them or throw them away.
- Bottled water. Use only water from bottles that have a sealed top.

Continue disinfecting the water until you are notified the water is safe again! When it is no longer necessary to boil the water, the water system officials will notify you that the water is safe for consumption. Instructions to discontinue boiling will be issued in the same manner as this notice.

If you have any questions regarding this matter, please call (713) 274-6300. Continue to visit ReadyHarris.org and hcph.tx.org for ongoing updates and information.
